

Surya Anthem

To Surya School, a noble toast we raise,
With deepest gratitude and accolade of praise.

Our rooms, grounds, galleries resound with fame,
May honour surround our Alma mare's name.

To Surya School, a noble toast we raise,
With deepest gratitude and accolade of praise.

Vande Matram is stamped upon our minds,
For rich and poor it is the tie that binds,
With dignity and grace, our homage now we pay,
For youthful memories can never fade away.

To Surya School, a noble toast we raise,
With deepest gratitude and accolade of praise.

Surya's banner may always flutter high,
Pointing to success which reaches the sky,
Surya do your best, be loyal, just and true,
Our School and country expects this and true.

To Surya School, a noble toast we raise,
With deepest gratitude and accolade of praise.
